FEEDBACK

The diagram shows a mobile application interface for a feedback page. At the top, there is a header bar with four icons: a hamburger menu, a magnifying glass labeled 'SEARCH', a person icon labeled 'ACCOUNT', and a shopping bag icon labeled '\$0.00'. Below the header, the word 'FEEDBACK' is written in a large, bold font. Underneath this title is a rectangular button labeled 'Add Feedback'. Below the button is a large rectangular box containing the text 'posted feedback'. To the right of this box, there is a note with an arrow pointing to it: 'Feed Back will be posted here'.

Add Feedback button will take user to Add Feedback page

Feed Back will be posted here

ADD/EDIT FEEDBACK

The interface is a mobile app screen titled "ADD/EDIT FEEDBACK". At the top, there is a navigation bar with three icons: a hamburger menu, a magnifying glass labeled "SEARCH", a person icon labeled "ACCOUNT", and a shopping bag icon labeled "\$0.00". Below the navigation bar, the title "ADD FEEDBACK" is centered. Underneath the title are three text input fields, each followed by an asterisk: "Full Name *", "Email *", and "Feedback *". At the bottom of the form area, there are two buttons: "CANCEL" on the left and "ADD FEEDBACK" on the right. The entire form is enclosed in a rounded rectangle.

SIGN IN PAGE

The sketch shows a mobile app interface for a sign-in page. At the top, there is a navigation bar with three icons: a search icon labeled 'SEARCH', a person icon labeled 'ACCOUNT', and a shopping bag icon labeled '\$0.00'. Below the navigation bar, the title 'SIGN IN' is centered. A message reads: 'IF you don't have an account please sign up first'. An arrow points from the 'sign up' text to a note on the left: 'Sign up link will allow a user to sign up.' Below the message are two input fields: 'Username' and 'Password'. An arrow points from the 'Password' field to a note on the right: 'user enters details to sign in if they have an account'. Below the input fields is a checkbox labeled 'Remember Me'. At the bottom, there are two buttons: 'HOME' and 'SIGN IN'. An arrow points from the 'HOME' button to a note on the left: 'Home button takes user back to home page.' Below the buttons is a link that says 'Forgot Password?'. An arrow points from this link to a note on the left: 'Forgot password link will let user create a new password'. Another arrow points from the 'SIGN IN' button to a note on the right: 'Sign in button will sign the user in'.
